Clearing House Announcement No. 7/2014

Information on foreign currency account management by KELER

**(General rules, list of correspondent banks and
account numbers)**

Effective date: 24 February 2014

Dear Clients,

This Clearing House Announcement includes the special rules on posting credit and debit entries to the foreign currency accounts kept by KELER, the nostro account numbers and correspondent banks of KELER valid at the effective date of this document.

The credit and debit entries are posted to the foreign currency accounts of our Clients kept by KELER with the involvement of the outsourced account managers of KELER, with the use of the nostro accounts they keep.

KELER Ltd. provides payment services to its account holder Clients in line with the terms and restrictions stated in Section 335/A (3) of Act CXX of 2001 on The capital market.¹ Our Clients are required to ensure that the payments executed through the KELER accounts are in line with the purposes stated in the regulations.

Advice / pre-advice

Please note that KELER and its outsourced account managers cannot guarantee the value dated booking of incoming payments without advice.

In the interest of successful matching the amount stated in the advice must equal the amount that actually comes in.

In the case of uncovered advice or if the cover is transferred to the outsourced account manager of KELER before the advice is sent the advice will be cancelled.

KELER is entitled to pass on to the Client concerned the fees and costs arising related to the incoming items without cover, cancelled or without advice or related to items requiring special treatment.

Use of the correct outsourced account manager

The nostro account numbers and the outsourced account managers listed on the following pages can be used only for the purpose therein stated, for related transactions and actions.

Our Clients are kindly reminded that KELER may not be able to transfer with the same value date the cover paid to the incorrect account manager to the correct account manager. We cannot assume any liability for the resulting loss.

¹ In line with regulatory requirements the payments in the foreign currency accounts kept by KELER can be made only in order to make financial fulfillment related to the stock exchange trade, the over-the-counter securities trade, the issuance of securities, the payment based on securities, investment service, auxiliary service supplementing investment service activity, the payment based on the obligation represented by the security or the service related thereto, commodities exchange service, service offered at the balancing platform and service offered to the organized market determined in separate law.

KELER outsourced account managers, nostro account numbers
