** If cover is available value dated GIRO items are executed in the first clearing cycle on the value date concerned.

*** Should the Clients demand from KELER Ltd. the delivery of physical securities to the Depository from outside Budapest, the securities will be credited to the securities account on T+1 day following the delivery to the Depository.

**** In case of the settlement transactions generated by the WARP system the cut-offs set by the Fund Manager (per security) are determining:

- In case of securities with T (same) day settlement day the transactions are generated at the main distributor's close time
- In case of securities with T+X day settlement cycle the transactions are generated at the time of settlement tr. generation cut-off

It is the Settlement Party's responsibility that the settlement transactions on the concerned settlement dates are sent to KELER's settlement system until the cut-offs specified in this Depository Announcement.

The following time window is available for sending the various transactions aligning to the above cut-offs:

- FOP subscription, creation through Settlement Party's own account using securities transfer 18:00
- FOP subscription, creation to Distributor using securities transfer within the same main account: 18:30
- FOP redemption, deletion with DET transfer 18:20
- DVP subscription or redemption: 17:30 (except EUR where 15:30)

Individual agreements between KELER and the Customer may specify stricter cut-off times than defined above.

In line with Chapter IX. of the General Business Rules on Act XXIII of 2003 on the Finality of settlements in payment and settlement systems KELER shall consider an order as received if:

- the transfer and payment order for the day concerned:
 - o is successfully received electronically and the order is not rejected for logical (form/content) reasons.
 - o in case of paper based certificate the time of receipt is the time of receipt by KELER or time of submitting to KELER that KELER shall record on the order. Exception: if the order is rejected for logical (form/content) reasons.
- value dated or recyclable transfer and payment order:
 - o based on the order KELER completed successfully the blocking, collateral verification necessary for fulfillment.

Transfer and payment orders can be withdrawn as long as the transfer and payment order in the queue is not completed.

***** For further information on cash delivery and cash deposits see our Depository Announcement on the “Operation of Teller Services outside KELER”.

TRY	T day 15:00			T day 15:00		
Any other foreign exchange	Exceptionally, based on individual consultation					

As of 3 March 2014 KELER Ltd. applies HUF 20,000,000,- limit determined in Forint for FX deals that can be submitted in KID and that are automatically posted if there is sufficient cover.

If the limit is exceeded, KELER Treasury is to be contacted and the deal made will be posted by Treasury Back Office (conversion cannot be submitted in KID).

o Similarly to the practice to date, in the case of conversion above the limit provided the Client advises the conversion request until 11:30 hrs. on the day of the conversion, Treasury can deviate from the published rates in order to offer a more favorable rate, that is to say a special rate. Please contact KELER Treasury directly if your request special rates.

This is to remind our Clients that special rates can be offered only if KELER Treasury is contacted directly; orders submitted in KID are executed automatically at the published rate.

The cut-off time to submit the special rate request is as follows:

o in the case of same day conversion - 11:30 hrs. on T

o In the case of conversion on T+1 and T+2 settlement day - 15:00 hrs. on T

Conversion from other foreign currency to EUR or USD, from EUR or USD to other foreign currency	Cut-off to submit instruction: T day 11:30 Settlement day: T+2
