**Question 100 is new to the questionnaire this year.**

100. Association members from time to time receive requests from their direct investor-clients for an informational copy of a depository's completed questionnaire. Such requests typically lead to interactions between personnel at the depository in question and member personnel or client personnel, or both. Those interactions take time and impose costs on both members and depositories.

Do you approve of Association members delivering a copy of your completed questionnaire to the member's direct client in response to the client's request?

Yes

You have reached the end of the questionnaire. Please be sure your contact details are updated. Your contact information is located in the first section of Part One within this questionnaire.

Please also be sure to print your responses and review them prior to changing Datasheet Progress to "Completed" under Part Two. (To print, select the printer friendly link at the top of the questionnaire.) When you are prepared to submit your answers, please return to Part One and Part Two of the questionnaire and change Datasheet Progress to "Completed". The members of The Association of Global Custodians thank you for your time and for your helpful response.

Please provide any comments you have regarding the questionnaire.

From 1 January, 2009 KELER CCP Ltd. (subsidiary of KELER) is the sole central counterparty in Hungary. Until that time KELER provided both CSD and CCP services. From 1 January 2013, KELER CCP provides clearing services for the guaranteed Hungarian markets, until that time KELER provided such services. This way KELER CCP became a fully fledged clearinghouse. KELER Group provides clearing, settlement and guarantee taking services for the Hungarian market.
