

A swift.com registration is necessary to access the KELER-specific standard messages published on MyStandards.

<u>https://www.swift.com/</u> → mySWIFT / Access mySWIFT / Create account

Following successful registration and sign-in, the MyStandards platform can be accessed under the menu item My tools / (Products/) MyStandards.

- a) The "Usage Guidelines" published by KELER can be accessed (grouped into Collections) according to business aspects, depending on how it was shared, as described below
 - 1.) "Public" publications accessible to all MyStandards users:

After selecting the "Groups" menu item, type the word "KELER" to be searched in the "Search group" field:

2.) In the case of "Restricted" publications, i.e. publications shared in a Community:

The restricted descriptions, i.e. the descriptions published in "Restricted" mode will be available only after registering into the specific community. This is possible by clicking on the "Request Access" button next to the specific community, under "Open Communities". The registration will be performed automatically, just click on the button.
